**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The internet is critical to my online business and education. Due to sky high rates, poor service, and monopolistic practices, we switched to a competitive DSL carrier with innovative internet and telephone rate plans. We have never looked back.

Competition is critical to maintain customer service standards and competitive prices. Please stop big telephone companies like AT&T from turning into monopolies again. Preserve competition that made possible companies like Sonic internet and telephone.

Thank you!
